

THE UNIVERSITY MEDICAL CENTER FOUNDATION OF EL PASO

Relies on the generous contributions of both public and private donors. We understand the importance of ensuring that your contribution makes a lasting impact on the people of the Paso del Norte region and that we maximize every donation we receive. We hope you are inspired to join our mission to bring quality health care to everyone in our region who is in need.

MISSION MOMENT

This year, Pearls & Prohibition: A Roaring Good Time is more than just an evening of glamour and elegance. It is a night dedicated to honoring the strength of survivors, the heroic efforts of first responders and medical teams, and the ongoing need to strengthen trauma care in our region.

From the ER to the operating room, from rehabilitation to recovery—your support ensures that no patient in our community faces a traumatic event alone. Together, we can make sure that UMC remains prepared for any emergency, anytime, for anyone who walks through its doors.

Because when moments of crisis arise,
our community deserves the very best care.
